

Essential Management Skills – 121 Virtual Programme

Objective

To equip the participant with a range of core management tools and techniques that will enable them to lead, inspire and develop their team members with knowledge and confidence.

By the end of the programme, the participant will be able to:

-  Understand the role and responsibilities of a manager
-  Deliver feedback and handle challenging conversations confidently
-  Maintain high levels of team and individual motivation
-  Set goals to drive performance and develop their team members

Format

Using our [PROMOTE](#) learning transfer platform, the programme will include a combination of short, sharp 'virtual' sessions with a range of tasks and learning opportunities that will be completed independently. This approach will ensure that the participant has every opportunity to put into practice their newly learnt skills, report on outcomes in PROMOTE and have facilitator input outside the virtual sessions.

-  Pre programme online consultancy to clarify key objectives
-  2 x 1hr virtual sessions (one to two weeks apart)
-  30min review session (one month after)
-  3-month follow-up call
-  Ongoing support as required for up to 3 months

Some directed self-study will be involved and participants will have access to a full range of [online resources](#) - including e-learning on Coaching for Managers and Effective Feedback Video.

Cost

£650 + vat which includes design and delivery of virtual sessions, unlimited access to our online resources, PROMOTE platform license and all ongoing support.

Dates

Given the flexible nature of the programme, we will work with you to identify a suitable start date and will plan the virtual sessions around any existing commitments.
